AURORA AT NORTH BETHESDA

AURORA
North Bethesda, MD •
Multifamily
341 Units • Ground Up
Construction
263,500 SF
July 2014

Aurora is the second residential phase of the planned 2.7 million square foot North Bethesda Center mixed-use development project adjacent to the White Flint Metro Station, just 20 minutes away from downtown Washington, DC.

This 18-story luxury apartment building with 341 units sports a brick and glass facade and features a state-of-the-art fitness center, business center/breakfast room, community room, roof deck, swimming pool and gorgeous community gardens.

Featuring a mix of spacious studios, one- and two-bedroom apartments, each unit is equipped with gourmet kitchens, washer/dryer, wall-to-wall carpet and private balconies or terraces.

The building's anticipated completion is July 2014 with leasing slated to begin in January 2014.

UNIVERSAL STONES , a awarded Sub will supply and furnish stone works in each residential unit and Common area. The granite awarded is Silver Stratus for each residential kitchen countertop.
